

Wind Energy

Since Alpha Ventus in 2008, BREB is active in Offshore-Wind. Our Track-Record Offshore comprises shipping of all different WEC-Components including Seacable, Port Agency for Cable Layers, Installation Vessels, Survey- and OSV´s, CTV´s, Special Ships for Grouting and Noise-Emission, PSV´s, Guard Vessel, AHT´s, Trailing suction hopper dredger, Tugs and Barges and Heavy Lift Vessels.

In 2016, Blue Water Shipping, Esbjerg, and BREB, Cuxhaven, established Blue Water BREB to jointly serve all Offshore Wind, Oil- and Gas-Clients in German Ports. Blue Water BREB GmbH is registered in Cuxhaven and handles already hundreds of On- and Offshore Components per year as Terminal Operator.

BLUE WATER BREB

BREB GmbH & Co. KG, registered in Cuxhaven, was established as Bremer Reederei Eilemann & Bischoff GmbH in 1951 in Bremen. We combine traditional Hanseatic ethics with state-of-the art technology and modern management-tools in all our activities.

Our services for the Shipping- and Offshore-Industry are certified by Lloyd´s Register to the highest Quality, Environmental and Safety Management Standards.

We take great care to provide our clients with safe, environmental friendly, custom-tailored, and affordable Sea Transportation and Forwarding, Stevedoring and Port Agency.

Blue Water BREB GmbH, a joint venture-firm of Danish Blue Water Shipping and BREB, serves the international Wind- and Oil & Gas-Industry in all German ports with own departments in the two main German offshore-hubs Cuxhaven for the North Sea and Sassnitz/Mukran for the Baltic Sea.

Shipping

BREB is a highly diversified Shipping Company with own Fleet, own Chartering and own Port-Agency and Forwarding-Department and offices in Bremen, Cuxhaven, Lisbon, Sassnitz and Zeebrugge.

We operate a fleet of modern geared Multipurpose-Vessels with 4.000-9.000t cargo capacity from the White Sea in the North to the Black Sea in the South-East. Our Chartering Department works any kind of dry cargo from Bulk, to Breakbulk, General Cargo, Project Cargo and Containers. BREB-Forwarding develops new ways of hinterland logistics by Rail, Truck or Barge.

Liner Services

BREB operates own Liner-Services to North-Africa with weekly sailings from the Adriatic and monthly sailings from the North-Continent.

Our Adriatic-Service includes all major Adriatic ports. In the north, our ships call Scandinavian, German and ARAG-ports. In addition to Breakbulk-cargoes like Forest-Products, Steels and bagged Cement we also ship Project Cargoes and Containers. Mainly for re-positioning BREB keeps several Bulk-Contracts enabling our ships to sail in contract-based System-traffics.

chartering@breb.de

Port Agency

BREB offers Port-Agency Services in all German Ports and along the Antwerp-Zeebrugge-range to Shipping-Lines, Charterers and Owners as well as for Offshore Projects. Appointed both by Charterers and Owners we provide services to conventional vessels for loading and discharging operations of Project-cargoes, Generals, Breakbulk and Bulk. We also arrange loading and discharging operations at various terminals for our clients.

Good care is given to vessels while under class-survey and/ or repair in local Drydocks. In the port of Cuxhaven we act as Liner-Agents for UECC.

Our service includes but is not limited to full Crew change arrangements, custom clearance, Cargo Documents, Supply of Bunkers and all Consumables etc.
